Welcome

We are absolutely delighted to extend a warm welcome to Pixie and her family, I as they begin their journey as new students at our school. We are confident that time here at Langley PS will be filled with exciting opportunities for learning, growth, and friendship.

Thank you

I would like to take this opportunity to wish you all well for the festive season and hope you are able to take some valuable time with family and friends.

I would like to acknowledge the efforts of our Langley team and the endless generosity of our staff who pitched in, working tirelessly to meet deadlines and look out for one another. I would like to thank our school council for their support and tireless energy this year.

Thank you to everyone who attended our end of year concert on Friday night. Unfortunately, the weather let us down. Thank you to Sarah who worked with students to develop and showcase what they have been learning in Performing Arts.

Staff Farewell

I would like to convey my best wishes to Bec for her contribution to LPS. It is a very exciting time for Bec and her family as they welcome another child. She will be greatly missed. Bec has worked diligently to her last day supporting the assessments and reporting to ensure a seamless transition for everyone.

School Reports

School Reports for Semester 2 will be sent to families' email this Thursday. Please take the time to read them with your child. They are written to show where your child is at academically and socially; to highlight areas they can improve on; and to celebrate their wins. Not only are they written with these things in mind, they are done with one sole purpose: to help you to help your child achieve! Please contact teachers if you have any queries or concerns about your child's report.

School Council

Our last school council meeting for the year will be on Thursday 12th December. Being a school council member means taking part in shaping the future of the school.
