ENROLMENTS ALWAYS WELCOME

Newsletter #6

26th July 2024

Langley Primary School acknowledges the history, culture, diversity, and value of all Aboriginal and Torres Strait Islanders, and pays respect to their elders past and present, as well as acknowledging future generations.

Welcome back for Term 3!

It is almost unbelievable that we are two-thirds of the way through winter and about to enter the final 5 months of the year. We have yet another busy term ahead of us.

I would like to welcome Jack-Nigel and his family to our school. Jack has made a great start here at Langley and we are looking forward to being the next step in his learning journey.

We welcome Trinity who will be teaching in the classroom on Tuesdays. Trinity has some valuable experience teaching in primary, secondary and education adjacent sectors.

One final reminder, if you have a Foundation student, or know of someone with a Foundation student for 2025, please ensure their enrolment application is lodged in the coming weeks.

Student Free Day

Just a reminder that Monday 29th of June is a curriculum day and is a Student Free Day.

School Readiness Excursion.

On Tuesday 30th July our school readiness excursion for students commencing school in 2025 in any year level will commence at 10.00am until 11.45am. Again, if you know of any family that may be interested. Please ask them to contact the school.

SSG's

Student Support Group (SSG) Interviews for families of all students in Week 3. All The purpose of these meetings is to provide you with feedback as to your child's current progress, achievements & challenges, and to begin discussing goals for your child's continued progress for the second half of the year. Please make contact with a staff member to organize a time.

SMILE SQUAD

The DHSV Smile Squad team will be heading back to your school to complete six-monthly fluoride varnish applications in December 2024 for those students who have provided consent and received fluoride varnish at our last visit. Fluoride varnish applications help ensure students have the best chance of preventing tooth decay, so we're excited to come back. Dates currently looking at the **2nd-5th December**.

Gymnastics

Erin our gymnastics coach will continue working with our students for the whole for term 3. Gymnastics provides a sound basis for further skill development across all sports. It promotes all-round physical development, muscular strength and endurance, joint flexibility, balance, coordination and core strength required for everyday living. Our students look forward to it each week.

Science Webinars

This week we participated in the first of eight science webinars with Discovery Centre –Bendigo. It was very engaging and we look forward to the coming weeks.
