Latest News

Welcome, Maya, and welcome back, Isla!

We warmly welcome Maya and her family to our Langley Primary School community. We look forward to getting to know you and sharing many happy learning experiences together.
We are also delighted to welcome Isla back to school—it is lovely to have you with us again!

Dates for your diary

Monday 2nd November – Student-free day

A reminder that Monday 2 November is a report writing day. Students do not attend school on this day, and there will be no playgroup.

Tuesday 3rd November – Melbourne Cup public holiday

School will be closed for the Melbourne Cup public holiday. We look forward to welcoming students back on Wednesday 4th November.

Langley Primary School acknowledges the history, culture, diversity, and value of all Aboriginal and Torres Strait Islanders, and pa ys respect to their elders past and present, as well as acknowledging future generations.

Latest News Cont...

Monday 23rd November – Smile Squad

Smile Squad – a free dental service is scheduled to visit our school on Monday 23 November. Please see the next page for information. Consent forms will be sent home soon.

25–28 November – Grade 5–6 Urban Camp

Our Grade 5–6 Urban Camp will take place from 25–28 November. Please contact Trinity if you have any questions.

Friday 4th December – End-of-year celebration

All families are warmly invited to join us for our end-of-year celebration. School Council will provide a BBQ dinner, and students will share a short performance. We look forward to celebrating the year together!

Monday 7 December – Christmas Melodies

We will travel by train to attend the Christmas Melodies performance at the Arts Centre. Further details will be shared closer to the date.

Tuesday 8th December – Statewide transition

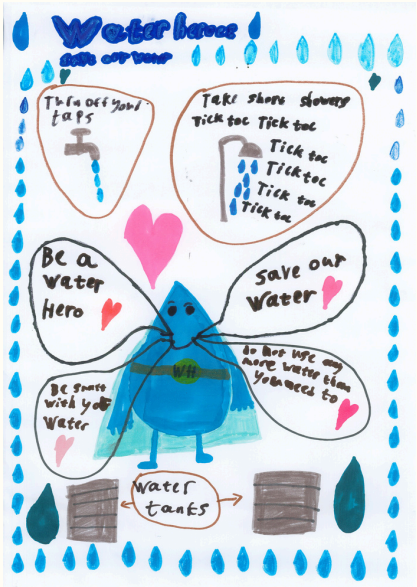

Statewide Transition Day gives students an opportunity to become familiar with their school setting for next year, meet teachers and spend time with their peers. Further details about arrangements for our students will be shared with families closer to the day

End of Year Games (Recyclables)

In Week 10 (7 – 12 December) we are planning on making some games and activities out of recycled materials. Milk bottle skittles, DIY Ring toss, Table Top Foosball is on out list.
Although…. …. we will need our school community's help in collecting some recyclable materials to make it happen…. … bring your recyclables to us! Please contact Erica if you have any questions.

Water Week 2026

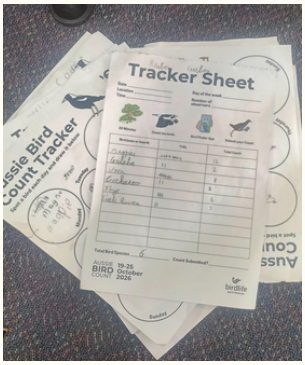

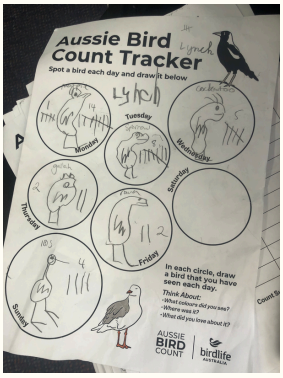

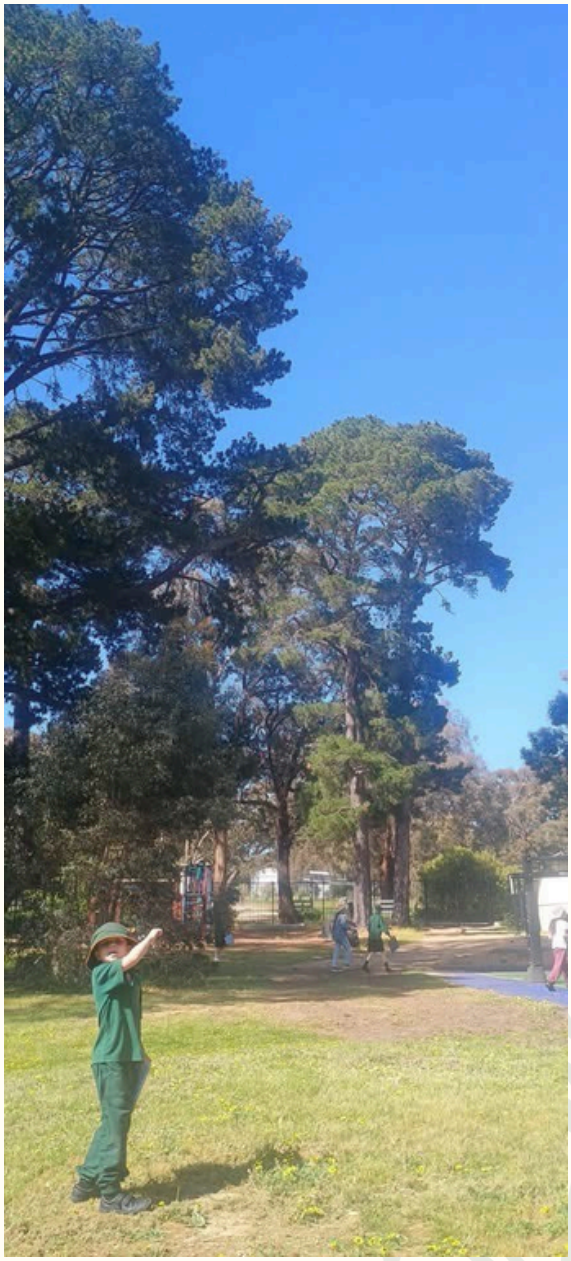

Students participated in the Coliban Water National Water Week Poster Competition with the theme of 'Water Heroes: Make Every Drop Count. Even though our students did not win the competition they created some pretty fabulous posters. In class we discussed all the ways we can conserve and limit our water use at school and at home.

Washing hands quickly, utlising our school's wicking beds and food cubes, and collecting sink waste water helps us to conserve our school's water. With a very hot El nino season upon us it is safe to say that we are indeed making every drop count.

The Aussie Bird Count

On Monday 19 October our students contributed to the Aussie Bird Count by counting all the birds sighted at school within 20 minutes, which was 8 different species with magpies being the most common at our school (and in backyards around Australia.)
We have been learning about the Birds of the Macedon Ranges with use of the guide supplied by Macedon Ranges Shire Council.
file:///C:/Users/10609214/Downloads/Bird-Guide_web%20(7).pdf
Some bird species have limited diets and specific environments that they live with. For example the Australia Weed Warbler only lives in Wetlands and has a diet of moths. Each bird contributes to the Biodiversity of the area keeps our insect species in check.
